

UBOSS LLC

SMS Messaging Policy

A Delaware Limited Liability Company
Operating in the Commonwealth of Massachusetts

Effective Date: June 3, 2026

Last Updated: June 3, 2026

1. Overview

UBOSS LLC (“UBOSS,” “Company,” “we,” “us,” or “our”) provides operational automation services for small businesses in the trades and service industries. As part of our services, we send transactional SMS text messages on behalf of ourselves and our business clients (“Tenants”) using Twilio-powered messaging infrastructure.

This SMS Messaging Policy describes the terms and conditions governing text messages sent through UBOSS-registered phone numbers. By providing your phone number and consenting to receive text messages, you agree to the terms outlined in this policy.

2. Program Name and Brand

- **Brand Name:** UBOSS LLC
- **Website:** <https://uboss.ai>
- **Support Email:** support@uboss.ai

3. Program Description

UBOSS sends transactional SMS messages to two categories of recipients:

1. **Business Clients and Staff:** Internal notifications alerting business owners and team members of new customer inquiries, job assignments, and operational updates.
2. **End-User Customers:** Appointment confirmations, service request acknowledgments, post-service follow-ups, and review requests sent to customers on behalf of UBOSS Tenant businesses.

All messages are strictly **transactional** in nature. UBOSS does not send promotional, marketing, or advertising messages via SMS.

4. Consent and Opt-In

End users opt in to receive SMS messages through the following methods:

- **Web Form:** Customers submit a service request through an online form that includes a phone number field and a consent checkbox agreeing to receive SMS updates related to their service request.

- **Verbal Consent:** Business clients may verbally confirm consent for their staff or customers to receive transactional messages.
- **Via Text:** Users may initiate contact by texting an UBOSS-registered number, which constitutes consent to receive a response.

Consent is limited to transactional communications related to the service requested. Consent is not a condition of purchasing any goods or services.

5. Message Frequency

Message frequency varies based on the nature of the service engagement and automation workflow. Users will only receive messages directly related to a service they have requested or an appointment they have scheduled.

6. Message and Data Rates

Standard message and data rates may apply depending on your wireless carrier and mobile plan. UBOSS is not responsible for any charges incurred by your carrier.

7. Opt-Out Instructions

You may opt out of receiving SMS messages at any time.

To stop receiving messages, reply STOP to any message from an UBOSS-registered number.

Upon receipt of a STOP request:

- You will receive a single confirmation message acknowledging your opt-out.
- No further messages will be sent from that number.
- Your opt-out applies only to the specific number and campaign from which the request was made.

To resume messages after opting out, reply **START**.

8. Help and Support

For assistance, reply HELP to any message from an UBOSS-registered number.

You will receive a response with support contact information and opt-out instructions. You may also contact us directly:

- **Email:** support@uboss.ai
- **Website:** <https://uboss.ai>

9. Mobile Information Sharing

UBOSS will not sell, rent, share, or provide mobile phone numbers or opt-in consent data to any third parties or affiliates for marketing or promotional purposes.

Mobile information is used solely for the purpose of delivering transactional service-related messages as described in this policy.

10. Carrier Liability

Carriers are not liable for any delayed or undelivered messages. Message delivery is subject to wireless carrier network availability and coverage. UBOSS makes no guarantee regarding the timing or delivery of any SMS message.

11. Privacy

For complete information on how UBOSS collects, uses, stores, and protects your data, please refer to our full Privacy Policy:
